...You

are a Teacher, aka *Superhero*, and you don't have time to browse through 100's of Textbooks to find the right one for your students.

So...

We, your *Sidekicks*, put together Bookr. A place to rate, review, and share books with your friends and Cooleagues. Now you can find books fast, so you can spend you time doing more super things.

WithBookr

You can...

Search:

Use Bookr to find your next textbook. You can Browse by author, subject, or education level. Find a book, look at its ratings and reviews , and make a decision. Voila! you're done!

Create:

Create a profile to manage your books, subjects, ratings, reviews, and comments. Bookr is a great place to organize your textbook research and history.

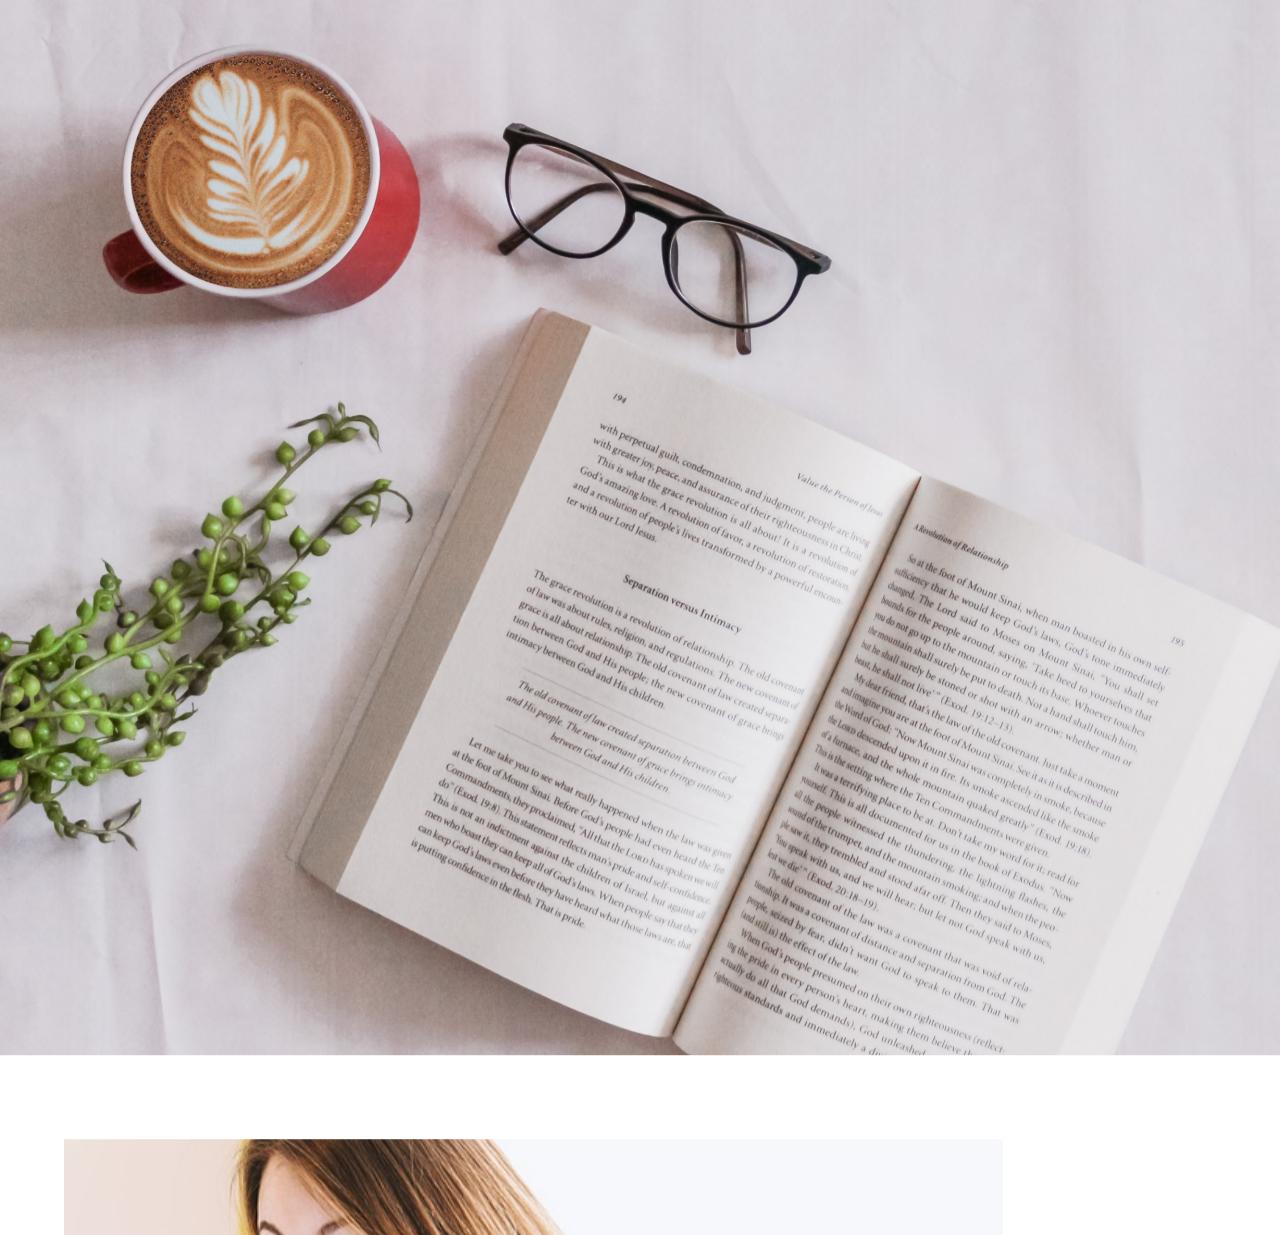

Give Back:

Give back to the Bookr community by rating and reviewing your Textbooks. The more comments and reviews we have the better we can help you and your friends in finding the perfect book for you.
